

# Jesus and the Children Envelope and Card

Envelope

Cut out the envelope on the first page and the card on the second page.

Fold the envelope on all of the red lines so the picture is on the outside. Fold the side flaps in first. Then fold the bottom flap up and over the side flaps. Place glue on the dotted lines and secure the bottom flap. Fold the top flap down.

Fill out the envelope. Sign the card and place it in the envelope. Use just a dab of glue to close the top flap if desired.
